

Social promo content block

As a user, I want to see the Social activity of Bibigo in card style, So that i can see the testimonials or Fanbase of Bibigo products

Jira: [CC-17: Social promo content block](#) DONE

Acceptance Criteria:

- Used to exhibit social presence of Bibigo in a card layout
- Section displays Title and CTA
- On click on the CTA “Follow us on Instagram”, ~~(What should happen here?)~~ the respective Instagram page should open in a new tab.
 - For bibigo.com it will be their Bibigo global Instagram page, for Bibigo -Kr  [비비고 글로](#)  it will be the Bibigo KR Instagram page, etc
- Card provides the details of the Bibigo social activity/testimonial
- Each card may have an image, tag and card title
- The cards follow marquee style carousel from right to left

Scenarios:

User type: Site Visitor (Guest User)

	Given	When	Then
1	User visits the website page	User navigates to the Social promo carousel component	User views the following within the section: • Section Title - Ex: “Fans around the world” • CTA to navigate to follow Ex: “Follow us on Instagram” with an icon (Instagram) icon • CTA appears to the top right corner of the section • Cards in marquee layout

		Views the cards	• Card/Tiles each may have the following elements: ◦ Image ◦ Title ◦ Tag • The carousel auto scroll with a lag of 5 sec. This is a marquee style and auto scroll continues (infinite loop) • Max 10 cards of different colors • On desktop, user shall see partial cards visible on left and right indicating there are more
2		User hovers on any card	The carousel slows down to .5x times

Tablet/Mobile :

	Given	When	Then
1	User is on the website page	Views the Social promo carousel component	• The content adjusts to the view port of the Tablet/Mobile device • Noted changes : ◦ On Mobile: ▪ Two partial cards shall be seen ▪ The CTA on right corner is noted below the Title (Center aligned) ◦ On Tablet: ▪ One full card and two partial cards shall be visible

User Type: Content Author

	Given	When	Then
1	Content Author Opens the page in edit mode	Opens the Social promo carousel in edit mode	Content author may edit/update the following: - Title - Max 42 char - CTA with icon (Optional) - Edit icon - CTA label - CTA link (Instagram or Social link) - Add / update/delete cards and the content - Max 10 - Select the card theme - Image - 5:6 Aspect ration - Title/caption - Optional - Max 65 Char - Tags Max 1 - Optional- Max 12 char - Saves the changes
			Different card themes available: - Green - Light yellow - Dark Yellow - Pink - Dark green - White - Gradient - Brown - Orange - Blue
